SproutX is building the world's largest network of early adopting farms to connect with inventors at Australia's premiere agtech accelerator

We'll connect you with startups working on solutions in your space when they're ready to test and trial!

WHAT NEXT?

1. Go to the [SproutX Pioneers page](#)
2. Complete a short profile of your farm ~3 mins
3. Standby! You're ready to be contacted by

Aussie agtech startups when they're ready to trial

- > Being a *Pioneer* is obligation free
- > Involvement is on an 'as agreed' basis
- > You will only be engaged with one team at a time
